JENNI LEE

This fiery ginger shows us her wild side...

"Everyone thinks I'm this sweet, Girl Next Door," Jenni whispers, pulling on her swollen labia between her black garters. "But the thing is, I'm the dirtiest girl you'll ever meet."

Stopping traffic with her heavenly body, she peers out of the window, waving at passersby while showing off her sweet ass and bald pussy.

"Hmm...this is all making me feel even naughtier," she whispers, grabbing her favorite wand, and taking a few licks, getting it nice and wet.

"Yeah, this is hitting the spot," she hums, thrusting it in and out of her snatch until her pussy is glossy with her filthy froth.

"Fuck! I sometimes think I can't cum like that with someone else," she says. "I guess it's good I'm an independent woman." ♣

HOT SHOTS FROM THE JIZZ BIZ!

BOLLYWOOD'S MOST WANTED!

Sunny Leone 'Most Searched' Star...

Porn star turned legit Indian actress, Sunny Leone has topped the list of the world's most searched Bollywood celebrities, according to recent Google analytics data reported in India. More than 35 million online searches worldwide were for "Sunny Leone" as a keyword in one month according to published reports.

"I am always happy to hear stats like these on a global basis," Leone said. "It really shows that all the global PR and hustle pays off."

Leone, who recently told *Times of India* that she has no plans to do porn scenes again, currently is working on two films in India with plans to start shooting a third at press time.

Sunny's adult movie production company Sunlust Pictures has announced the release of its latest Project Spotlight film, *Alyssa Reece's Wild Side*, starring Reece in every scene.

Designed to showcase Reece in various gonzo scenarios, the title was produced and directed by D.W. and Sunny Leone. The cast features top performers such as Alexis Texas, Monique Alexander, Ruby Knox, Jessica Bangkok and Louisa Lanewood alongside Reece.

Project Spotlight is a series in which Sunlust features a different performer in five to six scenes of her own.

"We choose performers whose we think have a fan base that would appreciate five to six scenes of their favorite star," said Sunlust producer/director Daniel Weber.

GREASE XXX IS THE WORD!

Cast Set For Adam & Eve Pictures Parody...

Principle casting is set for the Will Ryder directed, Adam & Eve Pictures production of *Grease XXX* with Riley Reid winning the iconic role of Sandy and Seth Gamble earning the seminal part of Danny.

The porn musical, written and directed by Will Ryder, promises to be a hilarious romp filled with leather jackets, poodle skirts, fantastic music, sex appeal and rock 'n roll mayhem. The cast has to be picture-perfect so the search and audition process was detailed and lengthy.

Casting the many iconic characters was a unique challenge but the producers feel extremely confident with Trinity St. Claire as Frenchy, Kierra King as Rizzo, Brooklyn Chase as Marty, Coco as Jan, Adriana Chechik as Cha Cha, Rebecca Bardoux as principal McGee and Gaia joining the Rydell student body. Teaming with Seth Gamble is Richie Calhoun as Kenickie, Anthony Rosano as Sonny, Talon as Doody and Chad Diamond as Putzie. Kurt Lockwood has been cast in a surprise role that will remain a secret until the movie trailer is released.

"We wanted to get a very close physical resemblance to the original movie cast and that was quite a challenge and we're confident that this will be a very entertaining musical and our talented cast will blow away fans of *Grease*," remarked co-producer Scott David.

Ryder and David are no stranger to adult movie musicals as this is their third hardcore musical of the year with the campy musical *Not South Park XXX* becoming a surprise smash hit and *Not the Wizard of Oz XXX* topping the charts.

"I guess this is the year of the XXX musical," Ryder joked.

SOPHIE. KATHIA & SABBY

Watch these horny escorts love their job...

"Mmmm...it makes my cock so rock-hard when you start kissing like that," Sabby says, stroking his cock. "Especially when you both play with each other's pussies," he continues.

When the ladies start working Sabby, he starts feeling both their holes, but when he presses deeper into Kathia's backhole, she flutters—loving every second of it.

"Oh, I bet you want some of this man-meat deep inside your crinkle," he says, watching as Sophie laps up his cock. "Well, let's just see about that."

Putting herself in doggie, Kathia spreads her legs open wide, and with Sabby behind her, he gently pulses his mushroomhead a little further inside her until he is balls-deep in her pink pucker.

"Oh, yeah!" Kathia says, her body undulating until she's about to burst. Knowing exactly what to do—Sophie takes her finger and pries it deeply into her friend's pussy—watching a river of her girl goo spread down her thighs.

"Get ready for it, ladies! I'm going to make a splash!" Sabby musters, pulling out his throbbing rod and splaying his seed all over the whores' faces.

"You girls are too good to be true," Sabby says, breathlessly. "I can't say I have any complaints." ♣

**SYDNEY LEATHERS
WEINER SEXT KITTEN**

In this day and age of Twitter and other big social media sites, coupled with the popularity of gossip giants like TMZ, RadarOnline and the like, those who are celebrities might think twice about what they post, with who they talk to and what they do or say. Private texts and pics are just a click away from being between two and two millions. Just ask former congressman and (as of press time) New York Mayoral candidate, Anthony Weiner and current media sensation and star of Vivid's latest celebrity offering, *Weiner and Me*, Sydney Leathers. But to get to the end of the story, we have to first get to the beginning.

It was in May and June of 2011 when the then New York representative to congress was caught in a sordid sexting scandal. Weiner, using his public Twitter account, sent a link to a photo of his erect penis concealed by boxer briefs to a 21-year-old female college student from Seattle who was "following" his posts. Even though the link was quickly removed from his tweets, screen shots of Weiner's original message and of the photo were captured and subsequently sent to conservative blogger Andrew Breitbart who published them on his BigGovernment website the following day. Weiner gave a series of interviews in which he denied sending the photo and suggested that someone else hacked into his accounts and published the photo.

A couple of weeks later, Breitbart posted a cropped, shirtless picture of Weiner obtained from a second woman on the Internet who alleged that Weiner had sent more pictures of himself, including at least one that was sexually graphic. After this became public, Weiner held a press conference at which he apologized, saying, "I have not been honest with myself, my family, my constituents, my friends and supporters, and the media" and that, "to be clear, the picture was of me, and I sent it." He also admitted he "engaged in several inappropriate conversations conducted over Twitter, Facebook, email and occasionally on the phone" and had exchanged "messages and photos of an explicit nature with about six women over the last three years." He added he had never met or had a physical relationship with any of them. He said he was "deeply ashamed" of his "terrible judgment and actions," which he called "very dumb," and added he had the continuing support of his wife, Huma. Just 10 days later, Weiner resigned from Congress.

Fast-forward about two years and the New York Mayoral democratic primary. Anthony Weiner came out of his self-imposed political exile and announced his candidacy. At first it seemed like the voting public forgave

his past discretions and Weiner was an early frontrunner in the race. But that didn't last long. Enter Sydney Leathers.

On July 23, 2013, more pictures and sexting allegedly by Weiner were released by the website, The Dirty, that were allegedly sent under the alias "Carlos Danger" to a 22-year-old woman with whom Weiner had contact in late 2012 and as late as April 2013. At a news conference that same day, with his wife Huma by his side, Weiner responded, "I said that other texts and photos were likely to come out, and today they have." He also said he would not drop out of the election despite dropping over 20 points in the polls, sending him to almost the bottom of the political pack.

On July 25, the *New York Daily News* reported that Weiner admitted that he had "sexted" with three women in the months after his resignation from Congress, and that there had been six to ten women involved in total. One of those women who came forward as one of Weiner's sext kittens was a 22-year-old Indiana gal, Sydney Leathers.

The king of celebrity sex tapes and Vivid head honcho Steve Hirsch saw an opening and immediately secured the sexy brunette Hoosier for his company's latest best-seller. With Vivid releasing the parody celeb sex tape *Sydney Leathers: Weiner and Me* starring Sydney in her first adult film. In the movie, Leathers stars as herself in the tale of boy sexts girl, girl sexes boy, who in this case is a pro "weiner wannabe," Xander Corvus.

Why did Sydney decide to shoot hardcore porn? The now 23-year-old has a simple answer according to FOX news, "Everyone already thought I did it so why not?"

That's what the 23-year-old former Anthony Weiner sexting partner told FOX411 when asked why she changed her mind and shot nude for Vivid.

"I'm glad I did it," she also said. "Women are their worst critics. Doing the photoshoot, seeing the pictures, it was empowering."

Since release on the VividCeleb.com of *Sydney Leathers: Weiner and Me*, tens of thousands have been able to experience the sexuality of Sydney. She holds nothing back as she not only reveals all about the scandal, but also shows the world why Weiner, a/k/a "Carlos Danger," was so turned on by her. *Weiner and Me* is as much comedy as it is sexy. Featuring cameos from world famous porn stars Xander Corvus, Evan Stone and others. Watch Sydney take Carlos Dangers' dagger today! The girl next door has really gone to the wild side.

As loving as this couple is, their kinky side shines above all...

"Your pussy tastes so delicious," Tommy musters, fingering her hot pussy just before she wakes up.

Already soaking wet, she lies down while her man takes over with his mouth—taking his flesh flap and twirling it around her burgeoning clit until she's seconds away from cumming.

"My turn," she says, surprisingly. "You think I taste good? I need some protein in the morning—some man-meat, to be exact."

Wolfing down his throbbing rod, she sucks him good and hard before taking his prick in her begging pussy.

"That's right! Fuck my pussy good and hard!" She screams, until he grows thicker in her snatch. "I want you to cum on my tits!"

Feeling himself get even bigger, he rips out of her—spraying her natural nibblers with his frothy load.

Playing with the pearly jam, Lola laughs, "I guess we are morning people after all?" ♣

FISHNETS 11

STARRING: MAYA HILLS, SAMANTHA RYAN, ADRIANNA LUNA, RILYNN RAE, LAYLA SIN, DERRICK PIERCE, TOMMY PISTOL, MARK WOOD, JOHN STRONG, ANTHONY ROSANO
DIRECTED BY: MIKE QUASAR
AVAILABLE FROM: ZERO TOLERANCE

Five fantastic females are nailed in this highly strokable fuck flick that celebrates gorgeous gals that are glammed up and glorified when wearing their fishnet stockings. With plenty of sexy girls to choose from, you're guaranteed to have a good time.

Dancing into position first is Maya Hills—a curvy kitten who looks incredible in her white fishnet stockings and slutty stilettos. Easily enticing Derrick Pierce into hardcore play, it's impressive watching her wrap her full lips around his cock and balls. Later, he makes mince meat out of her muff by pounding it to a pulp in reverse cowgirl. Her newly enhanced titties bouncing in place are simply the icing on the cake!

Samantha Ryan, sporting a sexy fishnet dress, bounces into action alongside Tommy Pistol. After delivering seductive kisses and scads of body worshipping—it's awesome watching Tommy ram his pistol into her pussy in a myriad of steamy positions. Hot from start to finish, Samantha really begins to boil once she's buckled in half, taking it hard in doggie. Woof!

Adrianna Luna delivers the best performance when she lets Mark Wood attack her pussy at will, causing her legs to span out in a perfect "V" formation. Once she's finished riding him out in the cowgirls, she raises the bar even further by taking a monster load to the mouth. Hot!

Lovely Rilynn Rae continues the show by dazzling her audience in a pair of black fishnet pants. Thoroughly impressed by her long legs and sexy attitude, John Strong takes pleasure in devouring her holes from sphincter to slit. Picturesque in every arrangement, it's awesome watching this girl in action. Clearly, she loves to fuck!

Layla Sin concludes the show by ravaging Anthony Rosano. After a sexy tease session, she mounts his face with her soggy slit before power plugging his pepperoni stick with her red lips. Quickly thereafter, he fucks her silly across a bed, getting the best results when forking her in spoon position. ♠♠♠

GETTING SCHOOLED

STARRING: ALEKTRA BLUE,
CHRISTY MACK, JESSA RHODES,
KAYLEE BROOKSHIRE,
JAMES DEEN, PRINCE YAHSHUA,
RYAN MCCLANE, TOMMY GUNN

DIRECTED BY:
JONATHAN MORGAN
AVAILABLE FROM:
WICKED PICTURES

With help from her neighbor, James Deen, Alektra Blue decides it's time to dive back into the dating pool after discovering that her long-term boyfriend was a cross-dresser. Now submerged in a seedy cesspool of sexual pervers, otherwise known as the online dating scene, Alektra is determined to find love again in director Jonathan Morgan's latest comedic gem that will leave you in stitches.

The movie opens with James Deen bum rushing his front door in order to get to his pussy du jour, Jessa Rhodes. Once the two connect, James spreads her legs open and devours her asshole before hammering her hole in a languid standing doggie arrangement. With a greasy gash and plenty of pushin'—this is a great way to begin the show.

After agreeing to help Alektra out of her sexual slump, James sets up a dating profile for her and learns of her previous relationship. This leads to a seduction scene whereby Tommy Gunn is treating Alektra to a romantic massage. After some heavy petting and plenty of oil—Alektra takes the reigns in reverse cowgirl position, spiraling her pelvis like Elvis in an attempt to churn her coochie cream into butter. Success!

Next, after Alektra skips out on a bad date with Ryan McClane, he sets his sights on the hot waitress, Christy Mack. Turning her out in the men's room, it's awesome watching this tattooed tart get dirty on the ground!

Down, but not out—Blue agrees to go on another date with MO. Later, she learns that the man is married swinger. This leads to his wife, Kaylee Brookshire doing the nasty with Prince Yahshua, her latest conquest. Spinning her head over heels, this is one scene that you'll have to see to believe.

The movie concludes with a hot romp between Alektra and James that leaves all three of her holes stuffed and satisfied. ♣♣♣♣

ME AND MY GIRL-FRIEND 4

STARRING: ANGELA SOMMERS, ASPEN RAE, DANI DANIELS, NATALIA STARR, KARLIE MONTANA, VANESSA VERACRUZ, KENNEDY LEIGH, SHYLA JENNINGS
DIRECTED BY: TAMMY SANDS
AVAILABLE FROM: GIRLFRIENDS FILMS

Demonstrating premiere erotica—eight of porn's most beautiful starlets come together in a lipstick lesbian extravaganza that is handcrafted by the artistic eye of director/photographer, Tammy Sands. Offering spicy setups that get us in the mood for muff, fans will enjoy seeing these luscious, lipstick lesbians in hardcore action. With delicious displays of tits, lips, and clits—these sexy stunners are just what the doctor ordered.

Although every pairing featured is beautiful, the real draw of this production is watching Angela Sommers and Aspen Rae getting dirty in the shower. Visually stunning as the warm water cascades their perfect bodies, these two are on fire from the start. With passionate kissing that has spittle streaming from lip to lip; these girls take pleasure in devouring each other from top to bottom. Most impressive is the way Angela spreads her legs to the sky so Aspen may reach the pinnacle of her pussy. Hot!

Next, in a luxurious living room, Dani Daniels seduces Natalia Starr with her grassy green eyes. Twisted over the sofa, Dani takes her time spring-cleaning Natalia's honey hole, using long swipes of her pink tongue. With loud slurps and probing fingers, these girls take full advantage of each other, leaving their audience breathless.

Also quite strong is the way Vanessa Veracruz squats above Karlie Montana's pretty face, getting her freshly shaven snatch mowed over by Karlie's open mouth. With their sultry long legs and dripping wet pussies, you won't have any problems staying focused on these two kinky kitties in action.

In the end, Kennedy Leigh and Shyla Jennings smash their teenage twats together before Shyla positions her girl on her hands and knees for some backdoor bliss. After a copious amount of oral action ensues in the sixty-nine position, Kennedy takes pleasure in latching onto Shyla's sweet tits with a Kung-Fu grip! ♠♣♠♣

THE COOL CROWD

STARRING: BIBI JONES, SELENA ROSE, ELLA MILANO, KORTNEY KANE, ERIK EVERHARD, MANUEL FERRARA, JAMES DEEN, MICK BLUE

DIRECTED BY: ROBBY D.

AVAILABLE FROM:
DIGITAL PLAYGROUND

After convincing BiBi Jones that the way to gain popularity is to fuck the “cool guys,” Selena Rose is eager to introduce her sexy friend to *The Cool Crowd*. With plenty of fucking, sucking, and partner swapping—this is one Robby D. party you’ll definitely want to RSVP for!

The fiesta begins with Mick Blue asking Selena Rose if she’d like to go for a ride. Happy to jump on his baloney pony, Selena mounts her stud and works out her curvy legs in cow-girl position. Once her spicy salsa begins to flow, Mick positions his Latina lover on her hands and knees, stuffing her full of his beefy burrito. With loads of energy and impeccable oral skills, we can see why Selena is one of the “It” girls.

Next, in a comical twist, we learn that James Deen—a proverbial dweeb—is pretending to live at the frat house in order to score some sorority slit. Sure enough, Ella Milano strolls into the kitchen and assumes his popular status. Leading him to the living room, Ella looks pretty when uncoiling his cock down her throat. Once he’s sufficiently spit-shined, Ella spreads her long legs, taking the grunt of his cobra in reverse cowgirl position.

Meanwhile, Jones offers Erik Everhard a mercy fuck in order to get rid of him. Demonstrating explosive heat throughout, BiBi scores the most points when tucking her ankles behind her ears to take a pounding from Erik’s anchor. With a cumtastic conclusion, these two college co-eds certainly make the grade.

Later still, Kortney Kane has a go with Manuel Ferrara, the king of the cool guys. Treating him to a wet and warm squeeze from her gooey gash, Kane is hopeful that her popular plaything will come back for more.

In the end, it looks like BiBi comes out on top when seducing Manuel—earning her much more than just a one-night-stand. ♣♣♣

SANDRA SANCHEZ

If an insatiable, exotic and erotic beauty is what you want, meet your dream girl...

White-hot Latina beauty Sandra Sanchez is not shy when it comes to showing what she's got. This gorgeous blonde also has no problem telling or showing what it is that she wants.

"Not a minute of the day goes by that I'm not craving sex," the insatiable sexpot confessed. "If I can't find it right there and then, I'll take matters into my own hands to satisfy my need to cum."

That's just what happened when Sandra posed for this sexy pictorial. The minute she got out of the makeup chair and in front of the camera, her pussy began to moisten and her clit started aching with desire.

"I needed to climax, so I started strumming my button," dirty little Miss Sanchez said. "It wasn't long before my body began to shudder and I was in seventh heaven. Some girls might have to fake an orgasm, but that's never the case with me!" ♣

10. TERA PATRICK

Prior to joining the illustrious Vivid lineup in 2003, Tera Patrick enjoyed life as an international fashion model. A lethal combination of both beauty and brains—Tera also studied nursing and thought about going to medical school before the porno bug bit her. Although now retired from porn—Patrick continues accomplishing great strides both personally and professionally and is still widely considered the sexiest starlet since sliced bread. Whilst still performing, Tera earned the title of “The Best New American Starlet” at the 2000 Cannes Film Festival, as well as “Best New Starlet” at the AVN Award Show later that year, in addition to other industry accolades. Most importantly though, Patrick managed to conquer several stereotypes surrounding female entrepreneurs by building a merchandising, marketing and production empire for herself, based on her household name and glamorous image. With many years of adult success, a library of hot movies under her belt, a best-selling book, *Sinner Takes All*, and a bustling lingerie line, *Mistress Couture*—no list would be complete without the inclusion of this tattooed temptress. Briefly coming out of her six-year retirement in August 2012, Tera executed a non-sex cameo role for Axel Braun's *This Ain't The Expendables XXX*, his latest 3D parody for LFP Video. Always boasting with effervescent charm, Tera smirks “For all of those naysayer's, I say ‘Thanks.’ Your negativity was spun into my inspiration and success!”

9. KARMEN KARMA

Gaining legions of fans for her award-worthy cock sucking skills and killer tats, porn princess Karmen Karma hasn't met a dick she didn't like or wasn't able to deep throat! Without the limitation of a gag reflex, this inked enigma is able to take porno-sized bats, down to the balls, as evidenced in her mind-blowing work in *Down the Throat*- Digital Sin and *Pretty Dirty 5*- New Sensations! Captivating the camera with her sexually aggressive style and naturally fuckable body, it's virtually impossible to peel your eyes away from Karmen's homegrown curves, piercing blue eyes, and perfect tits. Once her engine ignites and her sexual prowess is unleashed upon her daily prey, watch out. With an equally ravenous appetite for both pussy and pole, no man or woman is safe so long as Karmen Karma is out on the prowl. So, if you ever find yourself in a sexually compromising situation with this colorful sex pistol, consider yourself lucky. In fact, we'd be inclined to say, you must have done something extraordinary in a past life to be awarded with this type of carnal karma!

8. MONIQUE ALEXANDER

A golden goddess from California—Monique Alexander began her ball-draining career by dancing in a gentleman's club in Sacramento, California when she was just 18 years old. After participating in several lesbian productions and photo shoots—this tattooed treat decided to add some protein to her diet by becoming an exclusive Vivid contract girl from 2004-2009, making her boy/girl debut in *Lexie and Monique Love Rocco*, co-starring the legendary, Rocco Siffredi.

Since earning the coveted award for “Best Couples Sex Scene” at the 2008 AVN Award Show for her work with Mr. Marcus in Vivid’s, *Cry Wolf*— Alexander has begun adding more sexy ink to her caramel-colored complexion. Now heavily decorated, she continues basking in the intense sun that is found at the top, looking better than ever with a new set of succulent C-cup titties and a pair of fuller, more cock friendly lips. Easily making her way onto our countdown—we look forward to see what this inked minx will etch into her skin next.

7. TEAGAN PRESLEY

Beginning her career in porn to avenge her former flame—Teagan Presley quickly rose up the porno ranks by displaying enviable amounts of passion and a sexual aptitude that was well beyond her years. Formerly known for delivering some of the most scorching anal scenes ever recorded—this feisty femme fatale eventually went on to sign an exclusive performing contract with Digital Playground in 2004. After appearing in hits for her parent company such as: *Teagan: Erotique* and *Teagan: Sexual Freak*—this Texan-born beauty cut ties with Digital Playground and went on to win numerous awards for her impressive body of work, including “Female Porn Star of the Year” (People’s Choice) at the 2010 XBIZ Awards and “Hottest Body” at the 2010 F.A.M.E. Awards Show. In 2009, she and her partner, Josh Lehman, launched their own production studio called skinworXXX and delivered award-winning titles such as *Deviance* and *The Search for Sun Goddess XXX*. Consequently, she also signed a girl/girl performing contract with Adam & Eve Pictures later that same year—dazzling her fans with a curvier body choke full of enticing tattoos and award-worthy performances in hits such as *Forbidden* and *Teagan Presley: The Six*.

6. JUELZ VENTURA

Thanks to the myriad of colorful tattoos that decorate her petite physique, and her silky black hairstyle that caps her beautiful face—one might be quick to assume that Juelz Ventura is a porn star that is a little rough around the edges. In fact, nothing could be farther from the truth. What an infectious sexual energy that is fueled by carnal lust, this down-to-earth darling is eager to spread love through empowered sex scenes, an infectious personality, and a “love sees no color” approach to the adult industry. Captivating her audience in every scene she participates in, Ventura shines the brightest when mixing middles with a legion of porn’s hottest black stallions, including Rico Strong, Mr. Marcus, and Lexington Steele. With a deep throat and a jumbo pair of store bought titties, Juelz has delivered some of the hottest interracial sex scenes every captured on film. Known for pushing her sexual limits and coaxing the same intensity out of her co-stars in productions such as Evil Angel’s, *Black Cock Addiction 8*, *Black Listed 2* from Vince Vouyer Unleashed, and Bang Productions’s, *Diesel Dongs 21*—Ventura proves that she’s a tattooed temptress that has rightfully earned her position on our list.

5. BONNIE ROTTEN

With a strapping fascination for fetish, this Cincinnati, Ohio native and former spokesmodel for nostalgic cars, moved into the grittier side of skin shows by performing in erotic dance clubs all over the nation, and competing in sexy pageants such as the “Ms. Dead Indiana.” After being introduced to the mysterious world of fetish sex at Ken Marcus’s birthday bash—Rotten thoroughly explored the darker, more psychological side of her sexual expression by working for companies such as *Kink.com*, *DungeonCorp*, and Ken Marcus. Now a fetish model/performer, residing in the city of City of Angels, this horny devil burst out onto the scene in 2012 with her pioneer project for New Sensations called *Meet Bonnie*. She’s since gone on to stun her growing audience by performing in groundbreaking hits such as *Digital Sin’s*, *Gang Bang of Bonnie Rotten*, *Hot Body Ink*—from *Elegant Angel*, and *Evil Angel’s*, *Tattooed Anal Sluts*. With a compulsive, voracious appetite for sex—this sexual animal is ready to devour all who think they could tame her. Eager to strip down to the bone, there’s nothing like feasting your eyes and sinking your teeth into Bonnie Rotten’s impressive body of work.

4. CHRISTY MACK

Undoubtedly, one of the most visually stunning porn stars to come around in a long time, Christy Mack is a cut above the rest. Blessed with a beautiful face, lustful green eyes, and a penchant for pole that is impossible to tame—Mack is a rising star that is catapulting to the top of the charts at a record rate. Known for delivering slobbery blowjobs and mind-blowing tittie fucking sessions that would inflate mere mortals—this Indiana native and her stunning pair of DD breasts are raking in legions of die-hard fans. An easy favorite among tattoo enthusiasts—there’s nothing quite comparable to the spectacle created when Christy ignites in front of the camera. Earning rave reviews for her stellar contributions to productions such as *Trashy* from Rock Star Entertainment, *Evil Angel’s*, *Anal Lessons*, and *Baby Got Boobs 10* from Brazzers—Mack is as thirst quenching as a chilled mug of beer on a blistering summer afternoon.

3. ANDY SAN DIMAS

Dominating the alternative porn market when she first entered the jizz biz in 2007, Andy San Dimas single-handedly embodies a new genre of adult entertainment actresses that are revered for their edgy sexuality, rocker chic style, and tempting tattoos. Coming to life in director, Eon McKai’s alt feature, *On My Dirty Knees* and *Bel-ladonna’s Slut!*, San Dimas let it be known that her plan was to skyrocket straight the top by delivering the world with her new spin on hardcore sexuality. As her credits, accolades, and raw star power keep festering—Andy remains on the tip of everybody’s tongues. Now the Number one go-to girl for parody productions—San Dimas’s acute aptitude for acting and singing have turned her into a porn superstar. Cast in one coveted role after another, Andy has demonstrated her sexual aptitude and porno popularity in *Superman XXX: A Porn Parody*, *Elvis XXX: A Porn Parody*, *Not Charlie’s Angels XXX*, *The Breakfast Club: A XXX Parody*, *Simpson’s: The XXX Parody*

and *This Ain't Glee XXX*—to name a few. Taking home awards, including “Performer of the Year 2011” at the XBIZ Awards, as well as the “Best Actress” acclaim for her work in *This Ain't Glee XXX*—Andy San Dimas has just begun. Describing herself as “Kelly Bundy meets Elvira—with a little Lindsay Lohan,” San Dimas is a breath of fresh air—easily slipping into the number three spot for being a tattooed bitch that is impossible to resist.

2. SKIN DIAMOND

An exotic beauty with a natural body that is decorated with lively tattoos, Skin Diamond is just as comfortable jet setting around the world, joining rock bands on tour, and indulging in her homemade grilled cheese sandwiches, as she is taking huge cocks up her anus and answering to a master! Undergoing a complete sexual metamorphosis on screen—this intellectual cock star dazzles her audience with her jaw dropping sexual performances. Making anal sex look so decadent and delicious, Diamond’s scenes are visually compelling for the simple fact that she genuinely loses herself in her legendary lovers that have included Nacho Vidal, Manuel Ferrara, and Prince Yahshua. Whether her tongue is buried between the wet folds of a juicy pussy, or she’s taking on four men at once, Diamond is enthusiastically in a race against herself to provide the ultimate pleasure to her partners. Coming to life by bringing new meaning to the word S&M, Skin is quick to separate the wheat from the chaff in her scorching performances that leave cocks hard and pussies wet. Continually honored for her erotic excellence, Skin has been nominated and has won numerous awards for her sexual expertise. In fact, she took home the top prize of “Female Performer of the Year” at the 2012 Urban X Awards. Beautiful, bold, and begging for more—Miss Diamond is definitely an inked angel worth icing.

1. JOANNA ANGEL

A porn powerhouse discretely designed in a snack-sized package, Joanna Angel has proven to be an incredible asset and prophet for the porn industry by pioneering a new genre of pornography called “Alt porn” and is our pick for Number one *Tattooed Temptress*. Creating her flagship website, *BurningAngel.com*, in her dorm room at Rutgers University—along with friend and business associate Mitch Fontaine, Angel has worked hard to maintain her stronghold on the changing industry. Evolving her indie company and brand to the next level, Angel launched Burning Angel, a bustling production company back in 2006. Continually providing the marketplace with a fresh vision and infectious style of pornography by showcasing alternative looking women, rich with sexy tattoos and body piercings, Joanna continues delivering her fans humorous cult classics and sidesplitting comedies such as *Rock and Roll in My Butthole*, *P.O.V. Punx* and *Cum on My Tattoo*. Winning the prestigious honor of being named the “Best Porn Website” in 2011 at the AVN Award Show—Joanna Angel, the Queen Bee of Alt Porn, marks this single accomplishment as one her best crowning achievements in the Adult Industry, ironically earning critical acclaim for going full circle. ♣

SURVIVAL SEXCAPADE

NEW YEAR'S WISH

SURVIVAL SEXCAPADE

I am one of those girls who's one in a million—I'm hot, sexy, all natural, and, as some would say, I'm totally primitive. I love being outdoors and doing things like how cavemen and women do it. I know it sounds weird, but now there's a market for it—what with so many survival shows on and all. I decided to make my hobby into a career, and started teaching survival skills that I picked up from years of experience. I was excited when, in the first class, I saw two men—both burly and large—excited for the adventures. When we found out that we had to be naked for the upcoming Ultimate Survival Challenge, I saw them both perk up. I could scarcely see a bulge popping through, which was hot for me, but they couldn't see a tinge of my soaked panties through my khakis. I masturbated constantly that night—almost to the point of my clit being raw, just imagining getting gangbanged by both men.

On the day of the challenge, I showed up to the mountaintop wearing nothing but a smile, and when I saw them, I was immediately dripping. I could see that they were starting to get hard, but I tried to ignore it for a little while.

It wasn't until I took a machete to a bunch of trees that I slipped on a piece of rock. Ted lifted me up and when I turned around to thank him, Josh was behind me—stroking my ass. I couldn't help myself and my inner cavegirl got the best of me. I knelt down and started sucking both their rods—loving the feel of their cocks filling the back of my throat. Then, when I knew they couldn't take it anymore, I told Ted to lie down on the flattop boulder. I slid down on his shiny cock—relishing in the feel of his full rod until I was about to shoot my load. I didn't want Josh to feel left out, so I kept sucking on his man-meat until it was too hard to fill up in my mouth and when I spread my legs a little farther apart, he fit perfectly in my back hole. Sliding in slowly at first, and then plunging in deeply—making sure that he got all the way inside me in one shot. I felt both of them getting harder, and when I squeezed my gams the tiniest bit, Josh splooged inside of me fully—making my asshole cream. He got even dirtier and started flicking my hood while I was still bouncing on Ted, and when my juices dripped down on his balls, I knew he Ted was next. I lifted myself off while he pumped his prick a few times—splashing his seed all over my tits and face.

"Well, this will be a fun few days," I said, licking up the remnants from my fingers. It was, too—I showed these guys just how to survive fucking a horny cavewoman like me.

NEW YEAR'S WISH

Now, I am not one of those people that keep—or even make—New Year's resolutions, but I thought that it was about time that I made one—and one that I could stick to, for that matter. I decided on more sex. I wasn't sure why and how I was going to start, but I knew that with my pussy pulsing the way it was, I better start soon!

My friend was throwing a surprise party, and I knew she was going to have a lot of people there, especially single men, and when I arrived days later, she wasn't kidding.

I dressed my best in a red, glittery short dress, with my new implants on display. I was getting loads of stares, but when I went outside to get a drink, a man named Jason came over and introduced himself. I was trying to be nice, but instead I slipped and said, "I can see how hard you are. I need to have your cock in my mouth now." With no one outside, I slid down and made sure I sucked him good and sloppily until his jizz sprayed down my throat. Later, I picked my dress and walked outside, and with a tinge of cum breath, I was approached yet again, but this time, I dragged him (I didn't even catch his name) into the coatroom and fucked him across all over the jackets. I loved the fact that I knew people downstairs were aware of how hard we were fucking, but when he finally sploog-ed across my chest, I was still horny.

When I waked downstairs, I sat across from an older gentleman who was getting rock-hard staring at my swollen lips from where I was sitting, so I snuck into my friend's office, spread my legs open wide and had him eat me out until I gushed right into his mouth. It was then that I realized it wasn't even midnight, and before the party was even over I fucked—or sucked—most of the men. This is going to be my year. I can feel it.

This bad girl needs a ride, and hopes
you can whip her into shape...

"There's nothing more I need than a great ride right now," Jana, the experienced equestrian said, while floating the tiny whip down to her burgeoning box.

It's really sad when no one is around to fuck my pussy nice and hard, she continues—spreading her lips open wide.

"I mean, look at how wet I am," she says, moving into one of the empty stables. "It's unnerving, but I can't help myself."

Going into her bag, she removes the hulking dildo she keeps for emergencies. "I love it when I can mix business with pleasure," she purrs, allowing the toy to plunge deeply into her pussy until droplets of her girl gash ripple down to the hay.

"Mmm...that's it, right there," she huffs. "Next time, I hope I get to get ridden hard, but at least I know what I can conquer on my own." ♣

INTERVIEW BY EMMA EDWARDS

This red-hot sexpot dishes the dirt on her insatiable sex drive, fucking and MMA fighting...

IMAGES COURTESY OF FISHNETS 11 - ZERO TOLERANCE

How does a girl from Los Angeles land in the adult industry?

I've often asked myself that same question. Actually, I just stumbled upon it. I wasn't happy with what I was doing, and a girlfriend of mine encouraged me to make a change. What I was searching for was something flexible that would allow me to go to school and get certification [sic], if that's what I wanted. When my girlfriend suggested porn, I thought she was joking. In actuality, porn offered all the things I was looking for. I'm a rather spontaneous person, so I just went for it. I met an agent, and within two weeks, I was shooting my first scene.

What was your first scene like?

Were you nervous?

My first scene was for New Sensations. I performed with Danny Mountain. That was a great introduction. Yes, I was a bit nervous. I had shot some portfolio pictures, but was still freaked out. I showed up on set and was trying to hide my nerves. Thankfully, everybody was super-nice. After all was said and done, it was much easier than I thought it would be when I first pulled up that morning.

Before porn, were you a fan of the adult industry?

Prior to my first scene, I had no previous knowledge about the industry. The most porn I had ever watched was some softcore porn that I found on Showtime or HBO. That same friend told me I should watch more porn to see exactly what I would be getting myself into. After my first scene, she was so encouraging. She said, 'You'll be okay. It will be easy.'

So, you went into this industry fresh and open—with no prior knowledge of the performers, production companies, and so forth?

I knew nothing. Some people were shocked that I went right into the industry doing boy/girl sex scenes. Most girls ease their way in instead. They start with solo play, then eventually move into girl/girl sex scenes before having sex with men on camera. Me, I just jumped right in. That was the most comfortable for me, because I didn't really play with girls before porn. I had always had sex with men, and was more comfortable doing that on camera. It's like diving into the deep end of a swimming pool. You just have to go for it!

Were you sexually unfulfilled prior to porn?

No, that wasn't the case at all. I had a very healthy sex drive and sex life. However, I was curious. Once I started thinking about my sexuality, I realized that there was so much more that I hadn't done. I wanted to try new things and explore the sexual side of myself. The safe environment that porn provides really helped open me up. Whoops! I just totally got what I said. Yes, porn has opened me up both literally and figuratively (laughing).

Before porn, you mentioned that you weren't very sexual with girls. Has that changed? Are you bisexual on and off camera now?

Yes, I love playing with girls, but at the end of the day, I need cock. I have so much fun with the girls on set, and really look forward to working with them, but I'm really into men. I want to go home to a man.

But are you bisexual in your personal life as well?

Yes, but I'd have to say that most of my sexual encounters with women in my personal life include a man, too. I'm really into threesomes.

Since you've had some sexual experience with women, which female performers have turned you on the most?

I feel that it changes from week-to-week. I'm not exaggerating. I have a new girl crush every week. It all depends on who I've worked with. I don't necessarily have a certain look that turns me on. For me, it's all about their sexual energy. If the girl is really into me, I'll be really into her. But, this week, my girl crush is Jessica Drake. I love her. She's so classy, womanly, elegant, and wild. Her sex drive oozes out of every pore. It's impossible not to be turned on by her whenever she is around. She even smells good. Everything about that woman is delicious.

Speaking of Jessica Drake, we loved the energy you both exuded in *Tuff Love*—the MMA (mixed martial arts) movie you both shot for Wicked Pictures. We understand that you are really into MMA. Is this true?

Yes, I've been practicing MMA for quite a few years now. I got my start by competing in Muay Thai amateur fights. I haven't competed in a while due to the physical abuse that my body endures after the fights. Muay Thai leaves lots of marks on your body. I don't think it would look so hot if I showed up on set full of bruises. But, I still actively train, and am excited by it.

What is it about MMA that excites you?

MMA sort of reminds me of my porn life. This great duality occurs in MMA and in porn that really turns me on. When you first meet me, you would never suspect that I'm a trained fighter. I'm sweet and soft spoken. I love fooling people by showing them the aggressiveness that lives inside of me, too. In porn, I show up and am kind of shy and do not come off as being too sexual or too slutty. All of that changes when I'm in a sexual environment. In that setting, my wild sexual side comes out and I don't hold back. I'm definitely the wolf in sheep's clothing. When people talk about the quiet ones being the wildest in bed, I think they are talking about me.

Which male performers do you have the strongest sexual chemistry with?

My favorite male performer is Derrick Pierce. He's just hot all over. Actually, all of my favorite performers were in *Tuff Love*. Derrick is a beautiful man. His athleticism really turns me on. We both share a passion for fitness. He's really into CrossFit—a form of exercise and competition. It's a style of

exercise that mixes Olympic style lifting, gymnastics, and highly intensive cardio. It's so much fun and changes everyday. I compete in that because it doesn't leave me bruised and all broken up.

Do you attribute your CrossFit workouts to your sexy body and tight abs?

My body really started to change once I started implementing weight training and weight lifting. At first, I thought I would get really bulky if I started lifting weights. But, for the most part, it just leaned me out. It's been great. A healthy diet also helps keep me in top shape.

Please describe your sexual style.

I'm super-submissive when it comes to sex. I love being dominated. I'm also very open and am willing to try just about anything. I guess you can call me a try-sexual.

What is your least favorite sexual position?

Reverse cowgirl is my least favorite position. Most directors want to showcase me in reverse cowgirl to show off my big, natural boobs. It's a bit of an uncomfortable position. It's not like doing reverse at home. In porn, when you're in reverse cowgirl position, it's like holding a squat for five minutes straight, or longer. You have to arch all the way down and it gets very uncomfortable at times. There's also a disconnect in that position, and, I don't mean to burst anyone's bubble, but I also don't enjoy doing P.O.V scenes either. There's a major disconnect because you're not really having sex with the person holding the camera. For the most part, you can't even see the man. Instead, all you see is the camera.

In what position is it easiest to make you orgasm?

I'm a huge fan of doggie. I feel very vulnerable and sensitive in that position. When I'm buckled in half, my partner is able to poke and excite many different parts of my pussy. It also just feels great when their balls slap against me. It's hot! Since I'm a submissive lover, this is the ultimate display of dominance a person can have over another. In that position, it's also easy to get spanked, have your hair pulled, and all kinds of other fun stuff.

What is the best way to seduce you?

I'm really into dirty talk. If a person was bold enough to come up to me and whisper all the dirty things they wanted to do to me, I'd love it. That would really turn me on.

Has a person actually done that to you before?
Yes!

What did they say?

He said, 'I want to take you home and fuck the shit out of you until you cum. You're going to do whatever I say.' Isn't that hot? That really took some confidence and I loved it!

What is your strongest sexual skill?

I'm really good at giving blowjobs. In my earlier years in high school, I was obsessed with giving head. I love it. It turns me on and makes

me feel great. I love knowing that I have what it takes to make a cock hard. There is nothing better than having a dick grow in my mouth. I've also been told that I'm really good at it, so that helps boost my confidence.

Are you a ball neglecter?

No, not at all. I love balls. Balls are good. Balls need love, too.

What is your favorite form of masturbation?

I can't get enough of my Hitachi wand. At times, I have to put my clit on a 'time out'. I've heard that using the wand too much can lead to insensitivity of your clit. I really wouldn't want that to happen. When you think of it, that toy is *really* over-stimulating your clit. If you use it too much, a man's tongue, mouth or fingers will not be enough to get you off anymore. I limit myself to once a week. I would never want to jeopardize my ability to cum naturally when I'm having sex with a man or with a woman.

Once your Hitachi is in place, what do you think about?

If I'm with somebody in my personal life, I'll think about making love to them. If not, I'll imagine a hot scene that I was recently in. That usually does the trick.

If you weren't a porn star, what would be your ideal profession?

I have been looking into going back to school to study sports therapy. I want to become a physical therapist.

Considering your hobbies, that is probably a smart idea.

Yes, I think you are correct. That profession just seems to coincide with my passion for fitness. Actually, I had a really traumatic injury in the past. Fitness and general health is so important to most people. When an injury happens, it can take away key elements of a person's life. I'd like to rehabilitate those people and get them back into a healthy and active lifestyle.

What happened to you?

I injured my lowered back and had disc displacement. I'm all better now.

By the way you're able to twist, turn and contort yourself into porno pretzels, we'd venture to say that you are all healed.

Yes, thankfully I am healed. I feel great. I'm strong again.

You have an extremely exotic look.

What is your ethnicity?

I'm half Mexican and half Filipino.

Are there benefits to looking racially ambiguous?

Sure, I think there are some benefits. I'm lucky in the sense that I can be cast in both Latino and Asian movies. This enables me to participate in many different types of roles. So far, so good. My fans seem to love my exotic look. I haven't heard a complaint yet! ♣

CIPRIANA & TOTTI

This tomboy is upset she has to dress up for work—but her man loves every minute of it...

"I had a long day at work, babe. All I want to do is take off my clothes and sit around naked," Cipriana musters, taking off her skirt and shirt across from her husband.

"Well, that's fine by me," Totti says, helping her out while letting his hands flow all around her body, until it reaches her dewy clit.

"I know how much you hate dressing up for work, sweetie," he says. "But, I love it when you take them off."

Laying her down on the bed, Totti slightly puts his girl's head on his crotch—watching her bob up and down on his huge man-meat until he's about to burst."

"This will calm us both down," she says, hopping on top of him in cowgirl—making sure he feels every inch of her tight walls.

"That's it," she says, hopping up and down. "I love it when we're dirty after a long day at work."

Watching his eyes roll back, she finally jumps off him—stroking his thickness until gashes of his boy batter splash across her chest.

"That's exactly what I needed, babe," she says. "I think now I'm going to start dinner." ♣
